# SHIPBUILDING CONTRACTS AND ARBITRATION

Many shipbuilding contracts provide for disputes to be resolved through the arbitration process. Contracting parties must understand how the arbitration process works in order for them to resolve their disputes effectively. This free 1-hour webinar will highlight some keypoints on shipbuilding contracts and the arbitration process, which would be useful to participants.

**Soo Jee Main**  
**Acting President**

Association of Marine Industries of Malaysia (AMIM)

Jee Main is the Acting President of Association of Marine Industries of Malaysia (AMIM). He holds a Masters in Business Administration from University of Malaya and he is also member of MITI Shipbuilding and Ship Repair (SBSR) Task Force. He has 15 years of experience in the Marine and Oil & Gas Industry.

**Jeremy M Joseph**  
**Partner**

Joseph & Partners

Jeremy M. Joseph is the Principal Partner of Messrs Joseph and Partners and is the President of the International Malaysian Society of Maritime Law (IMSML). He has an LL.M (Masters in Maritime Law) from the University of Southampton, England. He is frequently acknowledged in international circles as a leading shipping lawyer in Malaysia. His firm was also appointed by 1MDB and the Government of Malaysia to arrest and sell the superyacht "Equanimity" in 2018. He has much experience in shipping and maritime disputes.

**Trishelea Ann Sandosam**  
**Partner**  
Skrine

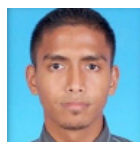

Trishelea's focus is in the field of maritime and shipping. The breadth of her shipping and international trade experience encompasses advisory and advocacy work for a broad range of local and foreign clients in relation to arrests of vessels (including arrests as security for arbitration), cargo disputes, oil pollution claims, carriage of dangerous goods, detention of vessel by authorities, FOB and CIF contracts, enforcement of ship mortgages under conventional and Islamic facilities and recognition of foreign maritime liens under Malaysian law. Trishelea is the Secretary of the International Malaysian Society of Maritime Law (IMSML).

**Clive Navin Selvapandian**  
**Partner**

Christopher & Lee Ong

Clive is recommended in Chambers Asia Pacific 2019 (Shipping - Malaysia) as an up-and-coming practitioner who has a strong track record on both wet and dry shipping disputes. He is described as "knowledgeable", very prompt and offers clients a lot of comfort as he speaks in very simple terms and delivers what is needed" Clive appears regularly in Admiralty Court and in various commercial courts throughout Malaysia.

**Mohd Helmi Zaharudin**  
**Assistant Secretary, (International Conventions)**  
Ministry of Transport Malaysia (MOT)  
**Moderator**

Mohd Helmi holds a degree in Mechanical Engineering from Universiti Teknikal Malaysia (UTeM). Currently serving with the International Convention Unit under Maritime Division MOT and part of the secretariat for National Shipping & Port Council (NSPC). Prior to joining MOT, Helmi worked with Malaysia Shipowners' Association (MASA) and one of his major contributions was the development of Malaysia Shipping Masterplan (MSMP)."
